## **REPORTS OF PAST EVENTS**

### **26<sup>th</sup> February Playstation Sprint by Richard Glew.**

A good entry was received for the inaugural Selby & Distract Motor Club Playstation Gravel Sprint. The total of thirteen entries was no doubt helped by the free entry fee and the fact that even total write offs were repaired free of charge. In addition drinking and driving was positively encouraged. After practice runs it was down to the TOCA style one shot showdown with the fastest eight times going through to the knockout stages. Just for the record for anyone out there with access to a Playstation the stage was SS1 Greece in Time Trial mode with a Mitsubishi Evo 4 in Auto Mode and these are the times to beat:

**Run off qualifiers.**

1	Richard Glew	3 min. 3.33 seconds.
2	Guy Gladwin	3 min. 8.97 seconds.
3	Mike Smith	3 min. 15.21 seconds.
4	Andrew Smith	3 min. 18.29 seconds.
5	Alastair Crosby	3 min. 22.96 seconds.
6	Dave Haynes	3 min. 41.47 seconds.
7	Nils Lawrenson	3 min. 45.43 seconds.
8	Gavin Smith	3 min. 52.47 seconds. (But then he does drive an Evo 4 (Ed)).

**Also rans eliminated at this point.**

9	Tim Elcock	3 min. 58.18 seconds.
10	Ben Lawrenson	4 min. 6.78 seconds.
11	Ralph Jackson	4 min. 12.18 seconds.
12	Erik Lawrenson	4 min. 28.81 seconds.
13	John Roberts	4 min. 43.44 seconds

Special mention must go to Ben for most improved performance, as having seen his only previous encounter with this game I was sure he would be OTL not to mention AWOL. He could certainly be a good each way bet for a podium position on next years event.

The top eight then drew numbers to organise the quarter final draw which came out as below:

The best confrontation of the quarter finals was between father and son Smith with only a second difference at the finish. The other interesting contest was between myself and Alastair which had to be aborted first time around as Alastair had been fiddling with his controller and managed to wreck his gearbox on the start line. Guy had a smooth run to the final but I was pushed harder as I was getting slower with every round unlike everyone else who were getting quicker.

In the final Guy was first away, starting 30 seconds or so before me. I managed a quick look up as he crossed the finish line to see a very quick target time. The last tight hairpin right would be critical. In the end I managed to squeak home by the slimmest of margins. If anyone wants to get some covert practice in before the next event, see Mike Smith for a cheap Playstation .

This is how the knockout went...

First Round	Second Round	Third Round	The Winner
Nils Lawrenson 3:39.19			
	Nils Lawrenson 3:31.6		
Gavin Smith 3:45.75			
		Guy Gladwin 3:04.29	
Guy Gladwin 3:09.01			
	Guy Gladwin 3:08.09		
Dave Haynes 3:42.63			
			Richard Glew.
Richard Glew 3:04.53			
	Richard Glew 3:07.41		
Alastair Crosby 3:10.73			
		Richard Glew 3:02.93	
Andrew Smith 3:14.09			
	Mike Smith 3:12.73		
Mike Smith 3:13.09			

**Here are the final positions of Richard Glew's Playstation GP**

1. Richard Glew	5. Alastair Crosby	6. Tim Elcock
2. Guy Gladwin	6. Andrew Smith	7. Ben Lawrenson
3. Mike Smith	7. Dave Haynes	8. Ralph Jackson
4. Nils Lawrenson	8. Gavin Smith	9. Erik Lawrenson
		<b>10.</b> John Roberts

**20/21<sup>st</sup> March      Old Mill Autos Pennine Road Rally**

Alastair Crosby drove and Neill Carman navigated his Fiesta to fifth overall and Richard Glew Marshalled. I'm hoping for a report from Neill or Alastair on this result.

**26<sup>th</sup> March Navigational Scatter organised by Richard Glew.**

Report to follow from Richard

**27<sup>th</sup> March      North Humberside MC forest rally.**

Clive Smith and Ian Hall were marshalling as were Alastair Crosby and Richard Glew who marshalled on the Stage Stop line.

**Circuit of Ireland Rally, Easter**

A Report is required to keep us abreast of this years happenings. Don't leave it too long to put your thoughts down on paper, guys.

**10/11<sup>th</sup> April      Tour of Lincs.**

Gavin Smith and Richard Glew competed on this one and it sounds like it should be a good report with all of the crew that went along to support them.

**16<sup>th</sup> April Slot car Grand Prix organised by Nils Lawrenson.**

Nils Lawrenson took on the responsibility of organising this event and carried it off well with his eager band of helpers and raised £12.00 to club funds. My only regret is that I got a Train set and I haven't had any practice with Slot cars but others had less trouble than me at staying on the track. Well if you drive a Volvo it doesn't leave the road quite as easily as the Audi that I selected to race with as it carries a bit more weight.

I sometimes wish that each and every one of our members would now and again organise an event so that they could firstly see what it involves and secondly help out our organising team who always seem to have to organise everything themselves.

Having now set out the results on paper I realise that as organiser Nils and his band of helpers (who competed as well in turn) will not receive any incentive or championship points for their involvement. Not they necessarily want any as they probably had fun getting involved but it may be an idea worth considering. My suggestion is to have a Junior championship to promote interest from our junior members. Currently none of them are members and normally a Motorclub wouldn't expect any to join until the age of either 14 when they are first officially allowed to marshal or navigate on a road rally or 8 I think when they can start competing in Karts if that is their interest.

**Results for Nils Lawrenson's Slot Car GP**

- 1      Richard Glew
- 2      Erik Lawrenson (junior)
- 3      John Haynes (junior)
- 4=     Alastair Crosby, John Roberts, Ben Lawrenson.
- 7=     Dave Haynes (senior), Alec Haynes (junior), Margaret Roberts, Mike Haynes (junior), Ralph Jackson and
- 7=     James Haynes (junior)

This turned out to be one of those events to test the metal of the Lada of Gavin Smith and Mike Ogram, they rolled through a wall into a field to retire. The first thing Alastair and Jason heard about their excursion was when Gavin rang them for help. They were just ten miles away spectating. On their way they bumped into Ben Lawrenson and all three of them went to help retrieve the stricken Lada. **I'm sure one of that bunch can come up with a decent report before the next newsletter.**

## **EDITIONS OF LOCAL ORDNANCE SURVEY MAPS.**

The other week I had to go into York to get a new OS map 100. As it was some years since I bought my last one I was a little shocked at the price. Over £5.00! yes they sure are. Well I had to fork it out especially as I knew it was the latest edition but If I wasn't buying that one I wouldn't have known which the current edition was so last night I did a bit of research on the OS website and here is a table of the current editions. If you need to know of any more let me know. Information correct at 8/3/99.

<b>Map Number.</b>	<b>Edition</b>	<b>Last updated.</b>
98	A2	16/2/95
99	C	22/7/98
100	C	19/8/97
101	C	26/9/96
104	C	2/6/98
105	B2	18/2/98
106	B3	18/12/95
107	B1	28/9/95

### **Read me Motorsport Quiz**

North Yorkshire County Councils Education and Library Services have sent me several entry forms for the above quiz and I will put them on the clubhouse bar but you can obtain them by walking into your local library. You can win family tickets to a BTCC round at Croft, a season ticket to Harewood Hillclimb, A signed book by Nigel Mansell, books about motor racing and motor racing T shirts. The Competition closes on the 30<sup>th</sup> April.

### **1999 Larkspeed League**

All of the dates for this years forthcoming Championship events are published in each newsletter. If you can help us please do. The club wins money for coming as low as forth on a round and it also wins money for finishing in the top ten at the end of the Championship. More importantly for finishing in the top ten your club gets further prize money and the right to organise an event in the League next year and that guarantees a good number of entries which makes any event viable. It certainly is something that we are short of this year.

You can certainly ask what's in it for me? And the answer is a shareout of the clubs winnings with the biggest slice allocated to the person who has scored most points for the club, then the next slice to the second etc.

**SELBY AND DISTRICT MOTOR CLUB WEBSITE.**

Well it's about time that we caught up with new technology so the other day I got a free site care of Xoom.com, the address is <http://members.xoom.com/selbydmc/epbimages/> For anyone out there with Internet access it may be an easy way of updating you with what is happening and for people from other clubs or who aren't in a motor club it will be a way to find out about us and get regs direct. The site is under construction so don't expect to find too much there at the moment but in time it will be perfected.

**SELBY AND DISTRICT MOTOR CLUB MERCHANDISE**

All of these items are available from behind the bar

COMPETITION NUMBERS EACH DIGIT	50p
PIN BADGE INCLUDING ENAMELLED SELBY & DMC BADGE	£1.55
ENAMELLED SELBY & DMC BADGE ONLY	£1.20

**The Motor club doesn't necessarily agree with the content of any of the articles in the newsletter, some of it is put in for fun and some is there to create lively debate.**

**1999 SUBS ARE NOW DUE,**

If you know of anyone that mentions to you that they don't seem to be receiving a newsletter any more then tell them to get their subs paid as we have from this issue of the newsletter stopped sending newsletters to those members who haven't paid this years subs. If they are certain that they have paid their subs and can't understand why they are not getting their newsletter the explanation is that some subscription monies have been paid into the till and no note was kept of who paid that money in. So when you pay make sure that you fill in a renewal slip.

**Otherwise, if you would like to join our club the rates are:** £10.00 for full membership and £12.00 for joint membership (one newsletter to one address). However after the 1st June membership rates until the year end on the 30th September are halved.

If you are interested or if you are rejoining then fill in the Membership application form below and send it to Clive Smith the Treasurer of Cottage Farm, Beningbrough, York, YO30 1BZ.

. The name and address entered will be used for sending you your club information and may be stored in computer held records, in accordance with the Data Protection Act. You may object to this method of storage, please indicate below if you object).

The Ordnance Survey kindly told me during the week that the Motorclub can have a section of an OS map in the newsletter for no Copyright charge so long as it is no bigger than A5.

### Club Championships.

If you think you deserve points that are not shown let Neill know as soon as possible. If you don't say anything now then don't moan if the results stand at the end of the year. The details as far as Neill knows is included in this newsletter.

## 1999 LARKSPEED LEAGUE-ROUND 1

Text supplied by Carl Davis of YSCC.

Our first round of the year was an Autotest, run by Sporting Escort Owners. Forty-four entries were received, with all competitors starting the twelve test event.

The event was held at Midland car park, Bingley in wet, cold and windy weather.

The Sporting Escort Lady members carrying out the main duties, whilst there men played elsewhere Stage Rallying.

### **ROUND 1 RESULTS**

1.	Ilkley	296.5
2.	North Humberside	233.6
3.	Sporting Escort Owners	201.4
4.	Huddersfield	195.8
5.	YSCC	173.8
6.	Sheffield and Hallamshire	162.7
7.	Airedale & Pennine	98.5
8.	Aiwoodley	62.1
9.	Otley	5.0
9.	York	5.0

Carrying on from last years League, Ilkley easily won this round, with two firsts in class. North Humberside were second on the day, how nice to see a team having a go.

Ten clubs entered teams, which must be a good sign for our League support in 1999.

## 1999 LARKSPEED LEAGUE - ROUND 2

Alwoodley ran their Road Rally on the 20/21 March starting from Bolton Abbey. A rather poor entry of twenty-six competitors started, this well planned event (not from what Neill and Alastair were telling me). Why we seem unable to attract more entries is beyond me, because you get a lot of competitive motoring, for a small entry fee.

Nine Clubs were represented and as ever Ilkley came out well on top, Malton also did very well followed by Beverley and the host club. Many thanks to John Smallwood and his team for all their hard work, sorry for the delay with the results due to a slight oversight in paperwork.

Selby was well represented on the day by Alastair Crosby and Neill Carman who came sixth overall and fourth in a class of twelve which netted the club 76.7 points. Well done to them and who can we get out on the next event which is a Sprint at Curborough on Sunday the ninth of May. Regulations are available from Mrs G. Healey on 01246 410135.
