REPORTS OF PAST EVENTS

So that you have an idea of when you can get reports into particular it was suggested at the last Committee meet that I have definite deadlines for inclusion in each newsletter. So in future the first Friday of the month will be the Committee meet in the Committee room, the second Friday in the month will be the newsletter deadline for reports to get into that months issue but post them to me, as I can't guarantee to be at the Clubhouse, in fact I may use that night to do the Newsletter which will be out in time for the following Friday.

19th November Annual General Meeting. Margaret Roberts resigned from the Committee and she will be sorely missed as she suffered some of our coldest nights at the clubhouse to take the minutes as club secretary and she kept the minutes in good order, she will be sorely missed especially as we don't have anyone to replace her. Unless you would like to volunteer?

Two new members brothers Gavin and Mike Smith were voted onto the committee. It's always good to have fresh blood on the Committee, members like myself who don't compete any more need someone to keep us in touch with the sport and keep up the enthusiasm.

27th November The Christmas dinner was held at the the Poachers Inn in Brighton which is a very welcoming place and they had extended the dinning room the previous week just to accommodate our party. The food was very nice and Mathematician Clive Smith and Technical wiz Jon Riley managed a neat balancing trick with seven balloons!! You had to be there to appreciate it(?).

Brave souls Jason Turner and Alastair Crosby left at 11pm to go to the start of the Beverley Beaver with Alastair navigating them around. The rest of us seriously considered holding a sweepstake as to how far Alastairs meal would last but in the end we just ensured that Jason had taken the mats out of his car and had plenty of cloths handy.

THE CLUBHOUSE BAR.

It really made me think at the Clubhouse the other week the most expensive beer that we serve is £1.30 per pint. Pub prices are certainly more expensive so have a trip out one Friday and visit us down at the clubhouse. There is no better time as the track has recently been regraded and is very smooth.

SELBY AND DISTRICT MOTOR CLUB WEBSITE.

Well it's about time that we caught up with new technology so the other day I got a free site care of Xoom.com, the address is <http://members.xoom.com/selbydmc/> For anyone out there with Internet access it may be an easy way of updating you with what is happening and for people from other clubs or who aren't in a motor club it will be a way to find out about us and get regs. direct. The site is under construction so don't expect to find too much there at the moment but in time it will be perfected.

CLUB CHAMPIONSHIP POINTS.

Any problems ring Neill.
