PAST EVENTS.

6th April Committee Meeting.

Present:- John Roberts, Chris Pullan, Richard Glew, Clive Smith, Bill Steels, Dave Haynes, Gavin Smith, John Thornton, Alastair Crosby, Ben Lawrenson, Tim Elcock and Ralph Jackson.

From the last minutes John picked up that we should now be starting the voluntary contribution of £1.00.

Clive told us that we had approximately £200 in the current account and £1100 in the savings account with bills coming up of £525 for insurance which gives us £30,000 cover, Rates which are £500 and Electricity (the last bill had been £113). Clive was to look into getting a rate reduction as be pay full business rates.

Tim's Autochallenge was proposed as it involved cars at the clubhouse and involved no risks to Foot and Mouth as it was just about members coming down to the clubhouse which is just the same as Friday nights only with a Barbeque. The first round is due on 22nd April. The Yorkshire Rally wanted us to marshal on the 29th September, we agreed in principle but it is still several months away and F&M needs to be sorted first.

John Roberts made a plea for all to respect the clubhouse and try and keep it clean as very often on Friday nights the first person down arrives to the mess left over from the previous week.

We also discussed the Road and Stage Rallies and agreed to keep working on them and keep them on the back burner without spending any

money until we know where we are with F&M. Certain members were going to consider Stage venues and Richard and Alastair will continue to look at routes.

Gavin Smiths Charity event lacks a venue and until a suitable one can be found he can get no further on it.

8th June John Thornton's Scatter. Three crews took part the relatively inexperienced Chris Pullan and Andy Ford, experienced team Alastair Crosby and Jason Turner and the seasoned veterans John Roberts and Ralph Jackson. Straight forward plotting gave us a route to follow on map 106 which formed a rough loop to the north of the motor club.

As the seasoned veterans set off they realised that

- the car that John had picked up that day had it's headlights pointing at the floor so main beam was virtually undetectable.
- Neither crew member had a torch.

So much for being veterans! The next problem was following a non-competitor from South Duffield up to the A163 which lost us vital minutes.

Still we managed to make everyone else's jaw drop when we entered the clubhouse in time and with a full sheet of answers! Of course the ones that we hadn't visited had all been guesses but could have given us an extra few marks. When the results were declared Alastair and Jason were first, Chris and Andy second and John and Ralph brought up the rear. This was a well organised event by John Thornton pity none of the rest of you came out to have a go, lookout for the next scatter in the newsletter. Report by Ralph Jackson.

LARKSPEED LEAGUE

Having got the results for round four we do not feature in the top 14 yet but the next four rounds are Rallies so go on get your entry in. We only need to score 100 points to feature in the top 11 so far as their has generally been a low turn out on events.

So if you have an email address let me know, it would be useful for you to also let me know whether you have Winzip which is a compression program and will help me to avoid making it a very large download.
