PAST EVENTS.

6th April Committee Meeting.

Present:- John Roberts, Chris Pullan, Richard Glew, Clive Smith, Bill Steels, Dave Haynes, Gavin Smith, John Thornton, Alastair Crosby, Ben Lawrenson, Tim Elcock and Ralph Jackson.

From the last minutes John picked up that we should now be starting the voluntary contribution of £1.00.

Clive told us that we had approximately £200 in the current account and £1100 in the savings account with bills coming up of £525 for insurance which gives us £30,000 cover, Rates which are £500 and Electricity (the last bill had been £113). Clive was to look into getting a rate reduction as he pay full business rates.

Tim's Autochallenge was proposed as it involved cars at the clubhouse and involved no risks to Foot and Mouth as it was just about members coming down to the clubhouse which is just the same as Friday nights only with a Barbeque. The first round is due on 22nd April.

The Yorkshire Rally wanted us to marshal on the 29th September, we agreed in principle but it is still several months away and F&M needs to be sorted first.

John Roberts made a plea for all to respect the clubhouse and try and keep it clean as very often on Friday nights the first person down arrives to the mess left over from the previous week.

We also discussed the Road and Stage Rallies and agreed to keep working on them and keep them on the back burner without spending any money until we know where we are with F&M. Certain members were going to consider Stage venues and Richard and Alastair will continue to look at routes.

Gavin Smith's Charity event lacks a venue and until a suitable one can be found he can get no further on it.

22nd April Tim's Autochallenge.

The first of Tim's events ran with some success and first blood in the championship went to young Gwyndaf. Eleven people turned up with ten people registering for the Championship. The day was dull but not too cold. The Fiesta looked resplendent and was raring to go as everyone looked around the course.

First blood went to Jon Riley with Chris Pullan and Alastair joint second. The second test went to Alastair with Jason second which gave Alastair a 23 second lead over the rest of the field.

The third test was going well until my test when first the car ran out of fuel, then on my second attempt the exhaust broke in half. The car was then tipped on its side to ease the replacement of the exhaust. Then on Noels run the offside front tension bar became detached so a change of car had to be arranged. Unfortunately the other car didn't have a handbrake but it was the same for everyone.

The car went quite well for the rest of the day with everyone doing nine tests and enjoying themselves until the Bob a nob which at first on the map looked horrendous. God only knows what I had been drinking when I drew that map. But after Noel and John had a go at it the rest of us were getting quite confident especially as it was decided to take a navigator. I won the test by one second from Jason, John Neale, Jon Riley and John Thornton.

Chris Pullan's wife Alison was persuaded to have a go and matched Charlie's time on the Bob a nob. Damned good for a first time. Thanks to everyone that turned up from the author Tim Elcock and thanks to Tim for this report and the results are shown over:-

Tabletop Rally by Jason Turner 27th April on map 106.

In a close contest between the top two John Thornton came out tops ahead of Alastair, although this was my first tabletop it went OK with only a couple of slight errors from myself which everyone was quick to point out but I might get better next time. Report by Jason Turner.

13th May Tims Autochallenge round 2.

It was a lovely day but a disappointing turnout with only the top 4 turning up. Jon Neale won from Alastair Crosby. Tim and Jason were third equal. Don't miss the next round on Sunday the 17th June.

18th May John Thornton's event on Map 106.

Due to a low turnout we have rescheduled this event for the 8th June.

LARKSPEED LEAGUE

Having got the results for round three we do not feature in the top 11 yet but the next four rounds are Rallies so go on get your entry in. We only need to score 100 points to feature in the top ten so far as their has generally been a low turn out on events.

DO YOU HAVE AN EMAIL ADDRESS???

If so you could save the motorclub a fortune. As of last month I emailed 14 newsletters out which will have saved a tree, us paying for the photocopying, postage and putting all that extra work in to get those tasks completed. So if you have an email address let me know, it would be useful for you to also let me know whether you have Winzip which is a compression program and will help me to avoid making it a very large download.

Clubhouse Location.

The Clubhouse is located at map 105 or 106 reference 717345 and has to be approached along a loose track. Go down the track to the premises of Tony Coatesworth which you see on the right hand side and the clubhouse is the next entry on the left.
