PAST EVENTS.

6th April Committee Meeting.

Present:- John Roberts, Chris Pullan, Richard Glew, Clive Smith, Bill Steels, Dave Haynes, Gavin Smith, John Thornton, Alastair Crosby, Ben Lawrenson, Tim Elcock and Ralph Jackson.

From the last minutes John picked up that we should now be starting the voluntary contribution of £1.00.

Clive told us that we had approximately £200 in the current account and £1100 in the savings account with bills coming up of £525 for insurance which gives us £30,000 cover, Rates which are £500 and Electricity (the last bill had been £113). Clive was to look into getting a rate reduction as be pay full business rates.

Tim's Autochallenge was proposed as it involved cars at the clubhouse and involved no risks to Foot and Mouth as it was just about members coming down to the clubhouse which is just the same as Friday nights only with a Barbeque. The first round is due on 22nd April.

The Yorkshire Rally wanted us to marshal on the 29th September, we agreed in principle but it is still several months away and F&M needs to be sorted first.

John Roberts made a plea for all to respect the clubhouse and try and keep it clean as very often on Friday nights the first person down arrives to the mess left over from the previous week.

We also discussed the Road and Stage Rallies and agreed to keep working on them and keep them on the back burner without spending any money until we know where we are with F&M. Certain members were going to consider Stage venues and Richard and Alastair will continue to look at routes.

Gavin Smiths Charity event lacks a venue and until a suitable one can be found he can get no further on it.

LARKSPEED LEAGUE

Having got the results for round four we do not feature in the top 14 yet but the next few rounds are Rallies so go on get your entry in. We only need to score 100 points to feature in the top 11 so far as their has generally been a low turn out on events.

DO YOU HAVE AN EMAIL ADDRESS???

If so you could save the motor club a fortune. As of last month I emailed 14 newsletters out which will have saved a tree, us paying for the photocopying, postage and putting all that extra work in to get those tasks completed. So if you have an email address let me know, it would be useful for you to also let me know whether you have Win zip which is a compression program and will help me to avoid making it a very large download.

NEW MOBILE NUMBERS.

To keep the members list updated please let me know what your new mobile number is following the recent code change.

Clubhouse Location.

The Clubhouse is located at map 105 or 106 reference 717345 and has to be approached along a loose track. Go down the track to the premises of Tony Coatesworth which you see on the right hand side and the clubhouse is the next entry on the left.
