Dear Mr Hinch

**3 Swans Road Rally 25/26<sup>th</sup> June 2005**

Selby and District Motor Club are organising the 3 Swans Road Rally on the night of 25/26<sup>th</sup> June 2005. The proposed route for this navigational event uses an unclassified and non-metalled road to the north west of Carlton, as shown on the enclosed map. A search of HM Land Registry records has revealed that The Aire and Ouse Farms Ltd own part of this unclassified road. We would therefore request your permission to use this road on our event.

I should explain that Road Rally's take place at night on 'open' public roads with around 30 competitors. Standard road cars are used and the time schedule between controls is based on an average speed of 30 mph. The events are authorised by the RAC Motor Sports Association with the approval of the Police Authorities covering the route and all house owners and landowners along the route are consulted.

We would like to use this section of road on 25/26<sup>th</sup> June 2005 with the first car scheduled to arrive around 03:00. Competitors would then arrive at approximately one-minute intervals for the next 30 to 45 minutes. The use of the road for this event should not cause any inconvenience to your company or your employees.

I would be pleased to receive your agreement to the use of this unclassified road on 25/26<sup>th</sup> June 2005, however should you require any further details please contact me at the above address or on 01226 320216 during office hours.

Yours faithfully

Dear

Thank you for your letter dated 28<sup>th</sup> December 2004 outlining the proposal for a Northern Historic Road Rally Championship. The contents of the letter have been circulated to Selby and District Motor Club members and were discussed at a rally meeting on Thursday 6<sup>th</sup> January 2005. The members of the motor club voted unanimously to 'express an interest' in the Three Swans Rally being a round of the proposed championship.

The only reservations expressed by members were that we do not want any additional costs or administration for the Three Swans Rally. I'm sure however that should our event be included in the proposed championship you would not wish to put any additional workload onto the organisers.

The Three Swans Rally is scheduled to run on the weekend of 25/26<sup>th</sup> June 2005. The event will have a route of approximately 110 miles, starting at 00.01 and finishing around 04.00. The route will all be traversed in a standard car and will have minimum use of rough white or unsurfaced roads. Navigation for the event will be varied but will be straight forward catering for expert and novice crews.

I trust that the above information will be useful and we wish you every success in getting the Northern Historic Road Rally Championship up and running in 2005.

I look forward to hearing from you in the future.

Yours sincerely

**Three Swans Road Rally 25/26<sup>th</sup> June 2005**

Further to my letter dated 18<sup>th</sup> March 2005 and the attached copy letter from Mr Philip Musson, please find enclosed further details of the route for the above event. The original information that we sent to you was a tracing from Ordnance Survey Landranger Maps 105 & 106 which we are required to send to the RAC Motor Sports Association, the Police Authorities and to yourselves. I have enclosed with this letter a photocopy of a road atlas with the route shown in blue. Could you please let me know if this information is easier for you and your members to identify the route of the event, if this is the case we will send you this in future years.

I have enclosed two copies of the revised route information, could you please pass one copy to Mr Musson at Selby.

Yours faithfully

### **Three Swans Road Rally 25/26<sup>th</sup> June 2005**

Selby and District Motor Club have applied to the RAC Motor Sports Association to promote the Three Swans Road Rally on the night of 25/26<sup>th</sup> June 2005. Please find enclosed a tracing of the route which will pass through the North Yorkshire area for your information.

I should explain that Road Rally's take place at night on 'open' public roads with around 30 competitors. Standard road cars are used and the time schedule between controls is based on an average speed of 30 mph. The events are authorised by the RAC Motor Sports Association with the approval of the Police Authorities covering the route and all house owners and landowners along the route are consulted.

The route starts near Wilberfoss with the first car due to leave at 23.40. The enclosed tracing shows the due arrival time for the first competitor at points along the route. Competitors should then arrive at these points at approximately one-minute intervals for the next 30 to 45 minutes. The use of the roads for this event should not cause any inconvenience to your members however I would be pleased if you would make them aware that the event is taking place.

Dear Sir or Madam,

### **Three Swans Road Rally 25/26<sup>th</sup> June 2005**

I wish to inform you that Selby and District Motor Club have applied to the RAC Motor Sports Association to promote the Three Swans Road Rally on the night of 25/26<sup>th</sup> June 2005. The event is authorised under the jurisdiction of the UK Motor Sports Association, and the route and time schedule have been submitted to the Police Authorities through these official channels.

The rally takes place at night, and we expect 30-40 competitors to be passing through the Humberside Police area from approximately 00.01 to 02.30 on Sunday 26<sup>th</sup> June. Standard road cars are used on this event and all cars will be passing quietly through the towns and villages on the route.

Notices of the event have been posted on the route and we have received no objections from the residents.

As we endeavour to be as thorough as possible in informing police authorities, this letter may be additional information to that which you may have already received through other channels, however I have enclosed a tracing of the route for information.

Yours faithfully

**25/26<sup>th</sup> June 2005**

Please accept my apologies for the delay in replying to your E-mail dated 7<sup>th</sup> January 2005. I can confirm that the event will only have one Regularity Section timed to the second to be used in the event of a tie. I have enclosed a revised Event Application Form for your information.

Since we submitted our event application we have been asked by both the ANCC and ANEMMC associations to include a historic class on the event. We have accepted these proposals and the revised Event Application Form requests both Road and Historic Road permits.

Could you please advise me if there are any specific regulations that apply to historic events other than the standard regulations applying to road events.

If you require any further information please let me know.

**Permit Numbers 27763 / 29258**

Further to my letter dated 18<sup>th</sup> February 2005 please find enclosed two tracings of the revised route for the Three Swans Rally, a Time Schedule for the event and a second draft of the Supplementary Regulations.

I have sent a tracing of the route to John Richardson and had arranged to see him tonight, however John is currently ill therefore we have rescheduled the meeting for next Thursday the 17<sup>th</sup> March, please see enclosed E-mail. PR work has commenced and will be completed by 31<sup>st</sup> March. We are currently checking on the status of other roads, bridleways and footpaths proposed for the event and obtaining 'permission to use' where necessary. Tracings of the route will be sent to North Yorkshire Police and the local office of the National Farmers Union.

The event has now been confirmed as a round of the ANEMMC Historic Road Rally Championship. In the Supplementary Regulations the number of classes has been amended to include a class for Historic cars registered before 31<sup>st</sup> December 1974, to comply with the championship regulations. We have also included an award for cars running to the Endurance Rally Specifications.

If you require any further information please let me know.

Navigation Rally, 25/26 June 2005.

To whom it may concern.

The bearer of this letter is taking part in a navigational rally which is held on public roads. The event is governed by the Motor Sports Association of the United Kingdom and has been authorised by this body. The event number is: 25000JN25/26 and the permit number is: 27763 / 29258

We would emphasise that strict controls are in force with respect to noise and driving standards on public highways. All vehicles have been noise tested using properly calibrated electronics noise meters. Public Relations work has been carried out by informing all residents along the route, by letter, at least 6 weeks prior to the event.

The Police Authorities of North Yorkshire and Humberside / East Yorkshire have been informed of the event and, indeed, their approval is a pre-requisite of the final authorisation of the event.

If you have any concerns about the event, or would like further information concerning motor events of this type, please contact:
