

Hi Folks, just a few lines on what's happening down at the club.

Most of the decorating is now done, just the committee room to attack next and a few odd jobs to complete. We are hoping to sort these out on the 20th May by coming down to the Clubhouse early to make the most of the lighter nights. Pie and peas will be available so people can skip eating at home enabling an early start. Your help would be really appreciated so if you can make it can you please let me know so I can order the correct no of pies!

Vegetarians can also be catered for.

The Club will also be having a stand at the Custom & Modified Car Show on 18th May (this coming Sunday) at Sherburn Proving Ground. This is the old Mintex test track on the Sherburn to Cawood road.

Cars on display from the club will be 2x Reliant Scimitars courtesy of John Macdonald, Charlie Gabb is bringing his immaculate MK2 Escort, A Toyota MR2 circuit racer is being provided by Mick Quinn. I am hoping to get hold of a 1600 Peugeot 206, heavily modified with a 2ltr twin cam and stupidly large brakes! This car will be for sale but is not for the faint hearted. There is also the possibility that Alastair Crosby will bring his Peugeot 309 down. Jason Turner is also bringing his recently acquire Opel Manta.

The star car on show will be the Ford RS200 kindly loaned by Rob Pilcher. It will be worth coming just to see this example of a proper group B car. Many many thanks to Rob for this kind gesture.

Details of the show are on the attached flyer.

Also attached is a Club Membership application/renewal form for those of you who have not yet renewed their membership.
